ITALIANO

- L'installazione deve essere eseguita in conformità alle presenti istruzioni, alle norme edilizie e di sicurezza vigenti e a quelle relative agli impianti idraulici.
- Controllare il prodotto installato ad intervalli regolari per assicurarsi che non ci siano perdite o parti instabili.
- Tenere fuori dalla portata dei bambini. Alcune piccole componenti potrebbero essere ingerite.

ENGLISH

- The installation must be carried out in compliance with current manual, building and safety regulations, as well as with the applicable plumbing standards. All required safety precautions must be observed.
- Periodically inspect the installed product to ensure there are no leaks or unstable parts, and take immediate action if any irregularities are detected.
- Keep out of reach of children. Small pieces that can be a choking hazard for young children.
