La nostra storia nasce nel 1953 a Pogno, dove ancora oggi abbiamo la nostra sede e i nostri stabilimenti produttivi.

Our history started in 1953 in Pogno, where we still have our headquarters and production plants.

E' una storia fatta di valori e di concretezza, di passione per il lavoro e per il nostro territorio. Il nostro è un successo tutto italiano, i nostri rubinetti vengono progettati e realizzati coniugando la creatività e la cura artigianale tipici del made in Italy con le potenzialità di un'Azienda industriale.
E il filo conduttore è da sempre la funzionalità del prodotto: attenzione a forme pulite ed essenziali, utilizzo di materie prime rispettose delle normative internazionali e applicazione delle migliori innovazioni tecnologiche per ottenere un prodotto in grado di integrarsi perfettamente con la sua materia prima, l'acqua.

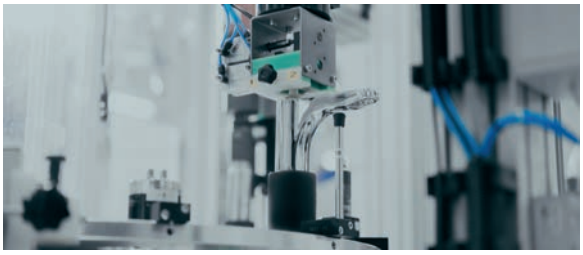

It is a story based on values and concreteness, passion for our work and for our territory. Our success is all Italian, our taps are designed and made by combining the creativity and the handmade care typical of Made in Italy with the potential of an industrial company.
The common thread has always been the functionality of the product: attention to simple and essential shapes, the use of raw materials which are respectful of the international regulations, the application of the best technological innovations to obtain a product able to integrate perfectly with its main purpose: the water.

Edizione: novembre/november 2025

Energy saving & **water** saving

I prodotti dotati di queste tecnologie garantiscono un buon risparmio energetico ed idrico

Products with these tecnologies guarantee a good energy and water savings

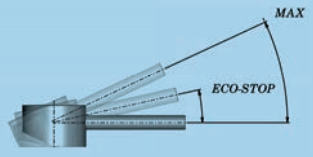

RISPARMIO **ENERGETICO**

ENERGY SAVING

Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.

It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.

RISPARMIO **IDRICO**

WATER SAVING

Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere più portata d'acqua (funge da deterrente contro l'inconsapevole apertura dell'acqua).

It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

ENERGY SAVING

Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.

It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.

WATER SAVING

Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere piú portata d'acqua (funge da deterrente contro l'inconsapevole apertura completa dell'acqua).

It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

ENERGY SAVING
Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.

It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.

WATER SAVING
Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere piú portata d'acqua (funge da deterrente contro l'inconsapevole apertura completa dell'acqua).

It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

ENERGY SAVING

WATER SAVING
Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere piú portata d'acqua (funge da deterrente contro l'inconsapevole apertura completa dell'acqua).
It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

Salvo quanto diversamente pattuito per iscritto tra le Parti, le presenti Condizioni Generali di Vendita (di seguito le "Condizioni Generali") unitamente ad eventuali condizioni speciali che siano previste nella conferma d'ordine disciplinano tutte le vendite di prodotti tra Rubinetteria Paffoni S.p.A., con sede in Pogno, via Soriso n. 2, (di seguito la "Venditrice") e qualsiasi acquirente (di seguito il "Cliente"); salvo specifici accordi di deroga in forma scritta, si intendono pienamente accettate dal Cliente e prevalgono su ogni altra eventuale clausola difforme inserita su modelli o su altri documenti utilizzati dalla Venditrice e/o dai Clienti (di seguito congiuntamente le "Parti").

1.PRODOTTI
1.1 Oggetto delle vendite regolate dalle presenti Condizioni Generali sono i prodotti indicati nei listini della Venditrice (di seguito i "Prodotti"), con le specifiche ivi indicate.
1.2 L'invio dei cataloghi o dei listini non costituisce offerta formale da parte della Venditrice, che rimane libera di modifica e gli stessi in ogni momento e senza obbligo di preavviso.

2.ORDINI E CONFERMA
2.1 Gli Ordini si intendono accettati dalla Venditrice al ricevimento da parte del Cliente della conferma d'ordine rilasciata dalla Venditrice (di seguito la "Conferma d'Ordine").
2.2 Qualora la Conferma d'Ordine contenga modifiche rispetto all'Ordine, le modifiche si considerano tacitamente accettate trascorse 24 ore dall'invio della stessa senza che il Cliente abbia manifestato il proprio dissenso per iscritto.
2.3 Ferma restando l'esecuzione degli ordini a seguito di rispettiva Conferma d'Ordine, la Venditrice può sospendere e/o cessare in qualunque momento e senza preavviso la produzione dei Prodotti qualora esigenze di mercato e/o di produzione lo richiedano, senza che per ciò il Cliente possa avanzare pretesa o reclamo alcuno.

3. PREZZI
3.1 Salvo quanto diversamente pattuito per iscritto tra le Parti, i prezzi dei Prodotti (di seguito i "Prezzi") sono quelli risultanti dal listino prezzi della Venditrice in vigore al momento della Conferma d'Ordine, IVA esclusa, e si intendono per merce resa franco stabilimento
della Venditrice in Pogno, via Soriso n. 2.
3.2 I prezzi indicati nel listino possono essere soggetti a variazione.
3.3 I prezzi non comprendono le spese di trasporto, spedizione, imballo dei Prodotti ed ogni altra spesa non specificamente inclusa nella Conferma d'Ordine.

4. CONDIZIONI DI PAGAMENTO
4.1 Il pagamento è tassativamente dovuto entro i termini specificati in fattura; un'eventuale variazione dei termini dovrà essere preventivamente ed espressamente pattuita per iscritto dalla Venditrice.
4.2 Qualsiasi pagamento deve essere eseguito ed è dovuto presso la sede della Venditrice, fatti salvi eventuali diversi accordi speciali scritti. Il rilascio di effetti cambiari o assegni è consentito solo se vi è espressa autorizzazione della Venditrice.

5. MANCATO O RITARDATO PAGAMENTO
5.1 In caso di mancato e/o ritardato pagamento nei termini, saranno addebitati al Cliente gli interessi convenzionali dalla data di scadenza del termine e sino all'effettivo saldo; ciò automaticamente e senza necessità di costtui zione in mora. Gli interessi di mora a carico del Cliente decorreranno automaticamente, ai sensi dell'art. 1 del D.lgs. n. 231/2002, dal giorno successivo alla scadenza del termine per il pagamento. Inoltre, ai sensi dell'art. 6 del predetto decreto, rimarranno a carico del Cliente tutti i costi sostenuti dalla Venditrice per il recupero, anche stragiudiziale, delle somme non tempestivamente corrisposte.
5.2 La Venditrice, nel caso in cui la Cliente ritardi totalmente o parzialmente un pagamento, può sospendere qualsiasi consegna in corso e gli eventuali ordini già acquisiti, risolvere il relativo contratto e trattenere a titolo di risarcimento, fino a concorrenza del danno patito, qualsiasi somma incassata anticipatamente, senza pregiudizio alcuno al diritto di pretendere ulteriori danni.
5.3 Il mancato pagamento totale o parziale di anche una sola fattura da parte del Cliente, nonché la diminuzione delle eventuali garanzie prestate, determina automaticamente la decadenza dal beneficio del termine con riferimento a qualsiasi somma dovuta alla Venditrice dal Cliente medesimo.
5.4 Resta inteso che il Cliente non può opporre eccezioni al fine di evitare o ritardare, sospendere, differire o ridurre la richiesta di pagamento del corrispettivo a qualsiasi titolo dovuto alla Venditrice, neppure in caso di contestazione, né l'importo potrà essere compensato con eventuali crediti che quest'ultimo eventualmente vanti nei confronti della Venditrice, anche relativi ad altri contratti, salvo diverso ed espresso accordo scritto tra le parti.
5.5 Quando il pagamento del prezzo dovuto alla Venditrice è dilazionato, il Cliente diverrà proprietario dei Prodotti soltanto all'atto del pagamento dell'intero prezzo, degli interessi e delle spese. In ipotesi di risoluzione del Contratto per inadempimento del Cliente, resta convenuto che gli anticipi pagati dal Cliente saranno comunque acquisiti dalla Venditrice a titolo d'indennità, fatto salvo il maggior danno.

6. CONSEGNA
6.1 I tempi di consegna sono indicativi e non impegnativi per la Venditrice. I termini di consegna concordati tra le parti sono in ogni caso prorogati a data da stabilirsi da parte della Venditrice, senza possibilità per il Cliente di reclamare danni, se il ritardo è dovuto ad impedimenti della Venditrice (a mero titolo esemplificati o: carenze di materie prime, avarie dei macchinari, scioperi, serrate , stato di calamità, eventi climatici, epidemia, interruzione e/o ritardi nelle forniture della materia prima e nei trasporti…..ecc…) e comunque se il ritardo è determinato da cause di forza maggiore.
6.2 Il termine di consegna pattuito verrà automaticamente sospeso in caso di mancato o ritardato pagamento da parte del Cliente come previsto sub art. 5 ovvero prorogato nel caso in cui il Cliente abbia richiesto modifiche della fornitura accettate dalla Venditrice successivamente alla Conferma d'Ordine.

7. IMBALLAGGI
Gli imballi vengono fatturati al costo e la Venditrice non ne accetta la restituzione. La Venditrice non è responsabile di eventuali vizi e difetti degli imballaggi.

8. TRASPORTI
8.1 Le spese di trasporto, salvo patto scritto contrario, sono a carico del Cliente. La Venditrice si riserva la facoltà di addebitare al Cliente eventuali oneri aggiuntivi al puro costo di trasporto eventualmente corrisposti al Vettore.
8.2 La spedizione, anche se effettuata in porto franco, viaggia a rischio e pericolo del Cliente. La Venditrice non ha alcuna responsabilità per ritardi, guasti, avarie, rotture o ammanchi e comunque fatti che si verificassero durante il trasporto. Ciò anche nel caso in cui il trasportatore/Vettore dovesse essere scelto dalla Venditrice.
8.3 In nessun caso eventuali danni derivanti dal trasporto danno diritto al Cliente di ritardare il pagamento della fattura relativa alla merce, ovvero di trattenere parzialmente o totalmente l'importo della stessa.
8.4 Anche se scelto dalla Venditrice, spetta al cliente presentare eventuali reclami al trasportatore, possibilmente con dichiarazione di immediata contestazione.
